## Datasheet

# VHF54

#### 4 dB Marine VHF Glass Fibre Antenna 1.37 m with fixed 10 or 20 m cable

Long range high gain International Maritime VHF Antenna for the leisure market

- VHF antenna especially made for leisure boats
- Economical replacement for all professional marine VHF antennas
- Improved gain compared to other high quality marine VHF antennas
- Reduced antenna weight compared to similar marine VHF antennas
- Matching designs available for other frequency bands
- For mounting on all US style brackets with 1"-14NF threaded stud

| Fraguanay             | 156 - 162.5 MHz (International Maritime VHF-band)         |
|-----------------------|---|
| Frequency             | ISO - 162.5 MITZ (INTERNATIONAL MAINTINE VITE-DANG)       |
| Bandwidth             | 6.5 MHz   |
| Antenna Type          | End-fed full 1/2 $\lambda$ dipole - no groundplane needed |
| Impedance             | 50 ohm  |
| Vswr                  | < 1.6:1   |
| Polarisation          | Vertical  |
| Gain                  | 4 dB (Marine), 0.5 dBd, 2.6 dBi                           |
| Radiation Pattern     | Omni-directional  |
| Max. Input Power      | 150 W   |
| Antistatic Protection | Direct Ground (DC-short)                                  |

### **ELECTRICAL SPECIFICATIONS**

SCAN ANTENNA A/S | LITERBUEN 15 | 2740 SKOVLUNDE | DENMARK | +45 +454333 1620 Disclaimer: Here you find all products for a complete antenna system. One-stop supplier with focus on high quality products produced in EU. No matter which type of antenna you are searching for, you will find it here. Every effort has been made to ensure the accuracy of the information in this product sheet. Scan Antenna reserves the right to introduce changes to this information without notice. ## Datasheet

#### MECHANICAL SPECIFICATIONS

| Color                    | White   |
|--------------------------|---|
| Length                   | 1375 mm   |
| Weight                   | 700 g (with 10 m cable), 1060 g (with 20 m cable)                     |
| Mounting                 | On brackets with 1"-14NF threaded stud (US style)                     |
| Mounting Place           | On deck or mast   |
| Materials                | PU-painted glass fibre, PCB, PE, copper and chrome plated solid brass |
| Operating<br>Temperature | -55C to +70C (IEC 60068-2-1, IEC 60068-2-2)                           |
| Connector                | No connector supplied   |
| Cable                    | 10 or 20 m white RG58 cable   |
| Serial no.               | On product label  |

### ORDERING INFORMATION

| 11054-610 | Antenna with 10 m cable - bulk packing   |
|-----------|--|
| 11054-611 | Antenna with 10 m cable - in Polybag     |
| 11054-612 | Antenna with 10 m cable - in Carton tube |
| 11054-620 | Antenna with 20 m cable - bulk packing   |
| 11054-621 | Antenna with 20 m cable - in Polybag     |
| 11054-622 | Antenna with 20 m cable - in Carton tube |

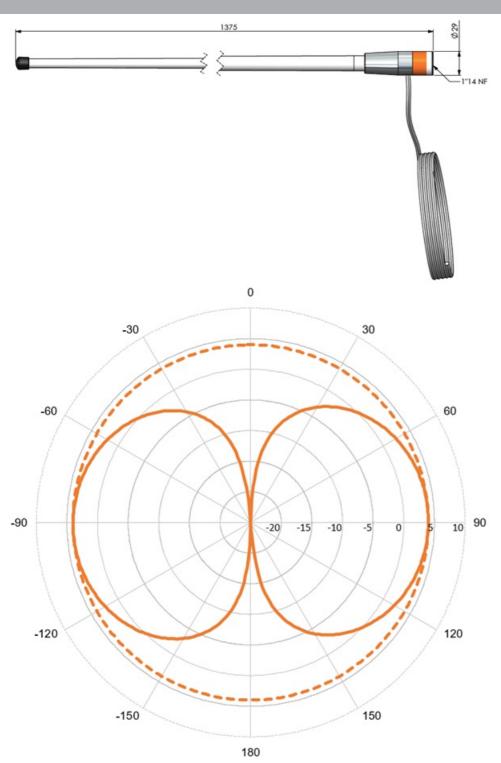

### PACKAGING INFORMATION

| Туре | Bulk packing or individually packing in Polybag or Carton tube<br>(See "ORDERING INFORMATION") |
|------|--|
| Size | Approx. 1.5 m  |
